Proud Owners

Carol & Andy - Owners

Welcome to GT's On The Beach!

We are Andy & Carol, proud owners of GT's since 2009 although Carol has worked here as a manager since 1996. We have both been in the restaurant industry our entire lives and actually met while working at a restaurant in London. We feel exceptionally privileged to own GT's and to be part of the Port Stanley Community. In 2018 we were just 2 months pregnant with our second child when the opportunity to own GT's was presented. We had two children and bought a business in the span of 22 months! Life was crazy for a while but fun at the same time.

Carol grew up in Chatham while Andy grew up just up the Highway in Union. We have two boys, Jimmy aged 10 and Zach aged 11. Zach lives for hockey and baseball while Jimmy loves baseball. Andy enjoys playing ice hockey in the winter and Carol is proud to be on her second stint as chair of the Port Stanley Business Improvement Area.

We are often asked "what do you do in the winter?" The reality is we take around 6 weeks off each Christmas but it takes about 6 weeks to clean and close up each fall. January through our sport coaching starts, creating the menu, hiring new staff, updating the website and getting ready for the new season. In April it takes about a month to get open and then we are open May/September. Like every business, 95% our customers were made up of local use. We are so very grateful for each and every one of you. Thank you for coming to GT's, we hope you love it as much as we do.
