ONBOARDING PROCESS MAP

Unapologetically Canadian

True North Strong
Your business communications will be in the experienced hands of a Canadian founded, owned and operated Company. All data centers located in Canada. We proudly guarantee our quality of support and service.

Future-Proof

Experience a future-proof system to support the evolution of success in your business!
Choose or keep your number, select your phone and move over to full-featured VoIP Communications.

See what all the Hype is about

We want happy clients, which is why we offer risk-free trials before you sign up.
We follow trend analysis, listen and respond to client needs through regular system updates and upgrades as our dedication to keeping your system current and our clients satisfied.

One-Step Set-up

Ready when you are

- Your phone(s) will be shipped right to your office, ready for business!
- The system is pre-programmed and ready to use
- Just plug it in and it will connect to the YOVO service automatically
- All you need is your high-speed internet

Ultimate Administrative Flexibility

The Power of Customization at your fingertips

- You have all the controls you need in one place with the user friendly Portal
- Management, addition and/or removal of users on the fly
- Change and customize menus
- Re-direct calls anywhere and manage forwarding settings

Reports, Statistics & Call History

- Monitor and filter call history
- Call recording
- Voicemail transcription
- Receive reports direct to your inbox

Experience True Mobility in Business

Take your calls with you anywhere

- Offering you the mobile experience to grow your business on the go - you can be at the office even when you're not at the office
- Receive office calls to your mobile or your laptop, or both!
- Keep your cell number private
- Send and receive calls with your mobile device using your office number
- Manage your greetings, read your voicemails, and transfer calls from anywhere
- Chrome Extension dialer and Salesforce Integrations

Hardware meets Beauty

Hardware with the looks to match the experience

- Wide range portfolio of desk phones
- All the features you need at your fingertips
- Control your desk phone from the portal
- Hold your meeting from anywhere with your cordless conference phone

Calling. Meeting. Connecting.

Hello "FNAME!", "IFCOMPANY!",
Thank you for your Quote Inquiry.

We see that you're Business is over 50 users in size!

An automated quote based on the number of users you require just won't do the trick!

We'd like to get you started with a better phone system, and will reach out to collect some additional information about your organization to get a customized quote just right!

You really can have both service AND support.

If you have ever waited on hold or have been bounced around from one 'specialist' to another, you know what we mean! **We are different.**

We stay in touch with customers, employees, and ensure the quality of the product and the services we deliver

Things Our Clients Love about YOYU:

Reliable Service

Easy to Use

Speedy Support

100% Canadian

Calling in Canada and USA

Advanced Features
(SMS, Transcription, Mobile Integration, Call Recording)

Thank you again for your inquiry!

A Sales team member will be in touch with you shortly to develop your Custom Quote.
